

# Dräger

# X-AM 2800/5800

## PROMOTION

From February 1, 2024 to December 31, 2024, Electrogas, in partnership with Dräger, is pleased to offer to our customers a **X-AM 2800/5800 Promotion**. Ideal for both current Dräger users looking to upgrade and newcomers seeking top-of-the-line equipment, this promotion provides the perfect opportunity to set up your gas detection infrastructure with the best units on the market. Plus, when paired with Gas Detection Connect, it becomes an all-in-one solution for seamless operation.

## HOW IT WORKS

**01** Buy 15 X-AM 2800 or X-AM 5800 in any combination

**02** Receive the following for FREE

- X-Dock 6300
- X-Dock 1/2/5 Module
- Non-Reactive Regulator
- Power Supply
- Hosing

Offer applies to new purchases for orders placed and accepted by Electrogas between February 1, 2024 - December 31, 2024. Not eligible for orders currently in the queue or with any other promotions. Order must specify a shipping date of no later than December 31, 2024.
